RE: Expression of Interest – Rural Broadband Experiments  
Connect America Fund, WC Docket No. 10-90

Dear Ms. Dortch:

LaHarpe Telephone Company, Inc. is please to submit this expression of interest in the CAF Rural Broadband Experiments.

**I. Entity Background**

LaHarpe Telephone Company, Inc. (LaHarpe) is a family owned ILEC that has been providing telephone service to the LaHarpe exchange since 1903. LaHarpe obtained a RUS/USDA Telephone loan in 2005, and has installed a softswitch and FTTH in the LaHarpe exchange. Today, they have seventy three (73) miles of fiber and serve two-hundred seventy four (274) subscribers.

The LaHarpe service offering includes voice, broadband and video and exceeds 4 Mbps downstream/1.5 Mbps upstream. All locations on the fiber plant can also receive 6 Mbps downstream and at least 1.5 Mbps upstream, which is the base price for CAP carriers service offering by year five (5) of Phase II. LaHarpe serves the LaHarpe Elementary School and the Fire Department.

## II. Potential Geographic Territory

### III. Broadband Technology

The initial technology planned for serving the LaHarpe extended offering is a combination of FTTH and point to multipoint WiMax802.16e. The system will deliver voice (future HD voice) and broadband within the proposed service area. The FTTH plant will deliver speeds in excess of the 4 Mbps downstream and 1 Mbps upstream. The WiMax system will have 32 Mbps throughput per sector and will be configured to offer individual customers' speeds in excess of the 4/1 requirement.

### IV. Service Offerings

#### High Speed DSL Service

LaHarpe Video & Data Services Company, Inc., a sister company to LaHarpe Telephone Company, Inc. provides Internet access for those who hate to wait – lightning fast DSL. Up to 10-20 times faster than dial-up · Always on connection · No busy signals, no waiting to dial in · doesn't busy out your phone line.

| Package    | Download Speed (kbps) | Upload Speed (kbps) | DSL Price | DSL + Basic Video Package |
|------------|-----------------------|---------------------|-----------|---------------------------|
| Bronze DSL | 512                   | 128                 | \$49.95   | \$78.00                   |
| Gold DSL   | 1024                  | 256                 | \$69.95   | \$93.00                   |

### V. State, Local or Tribal Participation

LaHarpe's area of interest includes census blocks in seven (7) rural counties in southeast Kansas. They are Allen, Anderson, Coffey, Linn, Neosho, Wilson and Woodson counties. No state or local funding is available. The Osage Nation has a historic presence in all of these counties. LaHarpe will coordinate with the state, local and tribal organizations to ensure that rights of way are available for use and that permitting can be obtained. At this time, these requirements have not been defined.

| County   | State | Historic Tribes in Area |
|----------|-------|-------------------------|
| Allen    | KS    | Osage                   |
| Anderson | KS    | Osage                   |
| Coffey   | KS    | Osage                   |
| Linn     | KS    | Osage                   |
| Neosho   | KS    | Osage                   |
| Wilson   | KS    | Osage                   |
| Woodson  | KS    | Osage                   |

### VI. Existing Providers

The existing service providers inside the tract include: BCI Broadband, CableOne, CenturyLink, City of Chanute, Cox, Craw-Kan, KanOkla, MediaCom, Peoples, Pixius, Sprint Nextel, T-Mobile, TwinMounds and Verizon

**VIII. Funding Proposed**

The cost to construct the unserved areas of the twenty three (23) tracts is provided in the table below.

| Summary            |                         |
|--------------------|-------------------------|
| Fiber Backbone     | \$ 14,356,000.00        |
| Fiber Electronics  | \$ 500,000.00           |
| Towers             | \$ 3,862,500.00         |
| <b>GRAND TOTAL</b> | <b>\$ 18,718,500.00</b> |

**IX. Project Timeline**

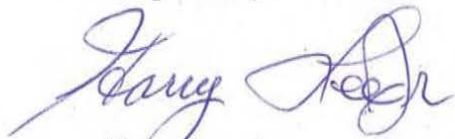

LaHarpe Telephone Company anticipates a three (3) year time requirement to complete construction in the area. LaHarpe will require an up-front lump sum payment to be able to construct the facility.

**X. Comments**

In addition to the lump sum capital required to construct the facility, LaHarpe will be require an annual amount of \$935,925 to cover a portion of the operation expenses.

LaHarpe Telephone Company appreciates the opportunity to submit an expression of interest.

Respectfully submitted,

Harry Lee, Jr.  
President  
LaHarpe Telephone
